Why Pre-Register

Your pre-registration helps ensure the convention has the funds available to put this convention on and carry the message of recovery. It is the support of each member's registration or donation that helps make our convention a success. Pre-registration is also used to calculate newcomer donations, so that we may further our Primary Purpose, to carry the message to the addict that still suffers, ensuring that no addict ever be denied admission and all who attend will receive a registration packet.

Please note: Your registration badge is your passport to the DJ dances as well as other non-ticketed entertainment.
